1. **Preparing Yourself & Your Team**

1.1 **Register:** [https://2015.appsec.eu/registration/](https://2015.appsec.eu/registration/)

It is critical that you register both your booth staff and team members that will be attending conference events using the discount codes we provided to you upon confirming your sponsorship. We will need to use the registration information to create badges and ensure proper food counts.

1.2 **Book your hotel rooms:**

**Hotel:** We have confirmed rooms in different hotels in Amsterdam for the benefit of Conference delegates. We have selected the Amsterdam RAI Hotel and Travel Service (RHTS) as we believe they have the best knowledge of the Amsterdam hotel market and therefore are capable of offering you the best price against the best conditions. They do not add mark-ups. For reservations of up to nine bedrooms, accommodation can be easily booked by using the [online accommodation booking system](https://2015.appsec.eu/registration/).

*Please be aware that the Amsterdam RAI Hotel and Travel Service is the only official accommodation partner of OWASP 2015.*

1.3 **Plan for Arrival**

**How To Get There – Traveling to Amsterdam RAI Exhibition and Convention Centre**

This information is for guidance purposes and may be subject to change.

**By Train**

The RAI has its ‘own’ station, Amsterdam RAI which is located a stone’s throw from the RAI complex and is easy to reach from anywhere in the Netherlands. When you leave the station, follow the signs for Amsterdam RAI. For further information, consult the [Dutch railways travel planner](https://2015.appsec.eu/registration/).

**By Tram, Metro or Bus**

Tram 4 runs between the RAI (Europaplein stop), Amsterdam’s city centre and Amsterdam Central Station. You can reach the RAI from the Amstel railway station by taking Metro 51 and Bus 65. Metro 51 also runs to Amsterdam Central Station. Metro 50 runs regularly between the Amsterdam Sloterdijk and Gein stations and stops at the Amsterdam RAI station. For further information, consult the [public transportation website](https://2015.appsec.eu/registration/).

**By Car**

The RAI is immediately signposted on roads signs on the ring road drivers end up on after approaching Amsterdam from the A1 motorway (Amersfoort/Amsterdam), the A2 (Utrecht/Amsterdam) or the A4 (Den Haag [The Hague]/Amsterdam). Amsterdam RAI is situated right next to the ring road (Exit 9). The RAI’s car parks are signposted immediately after leaving the ring road. Parking at the RAI complex is easy and affordable. The multi-storey car park is easily accessible thanks to its location next to the A10 highway by Exit S109 and has 2,300 parking spaces. During large-scale events, the outside areas also become available, which expands parking capacity to 5,000 parking spaces. For further information about parking facilities (opening hours, costs, etc.), consult the [Amsterdam RAI website](https://2015.appsec.eu/registration/).
**By Plane**

Amsterdam Airport Schiphol is located a mere 15 minutes from Amsterdam RAI whether you travel by car, train, taxi or bus. The Schiphol’s website provides information including: up-to-the-minute flight information, connecting transport facilities to Amsterdam RAI and business facilities.

## 2. Preparing Your Materials

### 2.1 Please send a Company Profile & Logo for the conference program.

The final conference program is an important and valuable way to make certain that guests of the conference take your company information home with them. Please send a company profile of 50 or fewer words for inclusion in the conference program no later than **April 27, 2015**.

Additionally, please send a high resolution horizontal logo in vector graphics format so it can be resized appropriately for the website, wiki and conference program. Logo must be received no later than **April 27, 2015**.

### 2.2 Please send Sponsorship Ad

All program materials including company description, logos and ads MUST be received by **April 27, 2015** in order to ensure they will appear in the printed conference program. Please submit to *kelly.santalucia@owasp.org*

The conference program will be an A5 format & have a finished size of 180 x 180 mm. Ad sizes are as follows:

- **Active area:**
  - Silver Sponsors: 1/4 page 180 x 50 mm (landscape)
  - Gold Sponsors: 1/4 page 87.5 x 90 mm (portrait)
  - Platinum Sponsors: 1/2 page 180 x 90 mm (landscape) or 87.5 x 180 mm (portrait is preferred)
  - Diamond Sponsors: Full page: 180 x 180 mm

Bleed should always be 5mm on each side regardless of the chosen format. This is for positioning reasons.

For ads that are to bleed, the artwork must extend at least 5mm on each side. The book will be a finished size of 180 x 180 mm so a full page ad with bleeds, for example, would need to be sized to 190 x 190 mm. The “live” area would of course be 180 x 180 mm so it is important for the designer to ensure that no text or graphics extend past those dimensions into the bleed margin.
2.3 Shipping

For Attendee Bag Inserts ONLY:
If your sponsorship includes literature placement in attendee bags, please send 450 copies to the address below. They MUST arrive no later than May 19th. Inserts that arrive after May 19th will NOT be placed in the bags. Please be sure to mark “Bag Inserts” on the outside of your package(s).

Maximum of one (1) inset per company.

Mr. Martin Knobloch
Prof. Dr. Ornsteinlaan 14
3431EP Nieuwegein
The Netherlands
Attn: Attendee Bag Inserts from (Name of Company)

❖ NOTE: Please email Kelly Santalucia with details of what you will be sending to include:
   - Brief description of package
   - Size/number of package(s)
   - Date of shipment
   - Carrier
   - Tracking number(s)

For Booth Materials Shipping & Receiving Information: See 2nd attachment from DB Schenker Logistics

2.4 Electricity & Wi-Fi

Power will be provided via one socket or extension lead at each exhibit area. Conference wifi access through-out the exhibit/conference area will also be provided. No additional network requirements.

2.5 Lead Retrieval

Information on lead scanners will be sent shortly
